BENNETT & DAVIDSON,

Box 191, Brooklyn, N. Y.

Nursery and Greenhouses,

CLARKSON STREET, FLATBUSH, L. I.

Orders from unknown Correspondents, unless accompanied by satisfactory reference, will be sent by Express C. O. D.

Our business being now largely devoted to supplying Nurserymen and Florists with stock to grow on for their retail trade, we beg to offer the following plants, which we have in large quantities, at the following low rates, provided not less than One Dozen are taken of any one class or variety. They are all grown in small pots, are strong and vigorous, and are such as we depend upon (after being shifted into larger pots,) for our Spring sales. We pack them wrapped separately, out of pots, which saves freight, and enables us to pack more expeditiously and safely than if sent in pots.

Trade discount on *new plants*, etc., 30 per cent. from Catalogue rates.
